Dear Listeners, Asalamo alaikum wa rehmatullah wa Barakatohu.

The speech I wish to present to you today is entitled :

The Field Guide to False Prophets

Allah states in the Holy Qur'an Surah Al-Ma'idah
Ch 5 Verse 4

Forbidden to you is the flesh of an animal which dies of itself, and blood and the flesh of swine; and that on which is invoked the name of one other than Allah; and that which has been strangled; and that beaten to death; and that killed by a fall; and that which has been gored to death; and that of which a wild animal has eaten, except that which you have properly slaughtered; and that which has been slaughtered at an altar. And forbidden is also that you seek to know your lot by the divining arrows. That is an act of disobedience. This day have those who disbelieve

despaired of harming your religion. So fear them not, but fear Me. This day have I perfected your religion for you and completed My favour upon you and have chosen for you Islam as religion. But whoso is forced by hunger, without being wilfully inclined to sin, then, surely, Allah is Most Forgiving, Merciful.

This verse is called *Ikmal ad-Din*, the verse of the perfection of the religion. In this verse, Allah says that he had perfected the religion and completed the blessing. According to the History of Islam it is stated that this verse was revealed on the Day of Arafah during the Farewell Pilgrimage. According to some sources this verse was the final verse revealed to the Holy Prophet Muhammad (saw) and He (Saw) passed away 82 days after its revelation.

This means that God requires us to conform to the reality inherent in the word Islam, Here there is a clear claim that the Holy Qur'an comprehends the perfect teaching and that the time of the revelation of the Holy Qur'an was the time when such perfect teaching could be revealed. The Holy Qur'an alone is entitled to make such a claim. No other Book has made such a claim, on the contrary, the Torah sets out the commandment in Deuteronomy 18:18) that :

I will raise them up a Prophet from among their brethren, and put my words in his mouth and whosoever will not hearken unto My Words I will require it of him.

It is obvious, therefore, that if the Torah had been adequate for meeting the needs of subsequent ages, there would have been no necessity for the coming of another Prophet, listening to whom was made obligatory. In the same way the Gospel has nowhere claimed that its teaching is perfect and comprehensive. But there is a clear confession that:

"I have yet many things to say, but ye cannot bear them now but that when the Paraclete is come he will lead you to the whole truth."

(John 16:12-13).

Jesus Christ admitted the incompleteness of his teachings and said that the time had not yet come for the perfect teachings to be disclosed but that when the Paraclete arrives he would set forth the perfect teaching. In contrast the Holy Qur'an does not, like the Torah and Gospel, leave the matter for another book to complete but announces the perfection of its teaching in the words.

This day I have perfected your religion for you and completed My favour upon you and have Chosen for you Islam as religion.

A current study of the religions of the world reveals that every religion, except Islam, contains some mistake or the other. This is not because they were all false in their origin, but because after the advent of Islam, God gave up the support of other religions. They became like neglected gardens, which had no gardener to look after them, so their fruit bearing trees became dry and barren and thorns and weeds spread all over.

Hadhrat Mirza Ghulam Ahmad (as) states in his Treatise:

The religion that claims to be from God must show signs of being from God and should bear God's seal, which should attest the fact that it is from Him. Islam is such a religion. A true religion is supported by the hand of God and through such religion God manifests Himself that He exists. The religions that depend entirely upon stories are only a form of idol worship. Such religions do not possess the spirit of truth. If God is alive as He was, and speaks and hears as He did, there is no reason why He should continue to be silent as if He does not exist. If He does not speak in this

Age, then equally and certainly He does not hear either. In other words, He is now nothing. That religion alone is true which demonstrates that God hears and speaks in this age also. In a true religion, God attests His existence through His speaking. (Chasma-e-Masihi Ruhani Khazain, Vol 20 pp351-352)

Allah is Al-Alim (the All Knowing), Al-Fattah - (the Victory Giver) Al-Basir - The All-Seeing, Al-Haqq (the Truth), Al-Ghani (the Independent). The One, the Creator of the Universe and everything within it, He has no beginning and has no End.

The Promised Messiah Hadhrat Mirza Ghulam Ahmad (as) stated in Chashma-e-Masihi Ruhani Khazain Vol 20 pp351-352:

The Search for God is a difficult matter. It is not an affair of worldly philosophers and wise men. Observation of the heavens and earth only leads to the conclusion that although orderliness indicates that the universe should have a Creator yet it is not proof that such a Creator in fact exists. There is a great deal of difference between ought to be and is. The Holy Qur'an is the only book that sets forth His existence as a fact and not only urges the seeking of God but makes Him manifest. There is no other book which makes manifest the Hidden Being.

Allah stated in the Holy Quran that He would protect this book till the Day of Judgement as it is the Final Book that Allah has sent and this fact alone would suffice to establish its Divine Origin.

Verily, it is We who have sent down this Exhortation and most surely We are its Guardians. (Surah Al-Hijr Ch15:10).

After the revelation of this verse, the disbelievers were challenged to do their worst to destroy it, but were warned that God would frustrate all their designs because He Himself was

its Guardian. The challenge was open and unequivocal and the enemy strong and ruthless, and yet the Holy Qur'an has remained safe against corruption and interpolation and tampering with.

God did not allow this to happen in the case of Islam, as He desired that this garden should flourish throughout. He made provision in each century for its irrigation and thus rescued it from decay. Although at the beginning of each century, when a Mujaddid was appointed for its reformation, the ignorant people opposed him and were averse to the reform of anything which had become part of their innovations and customs. Yet God Almighty adhered throughout to His way. This was the case with the Promised Messiah Hadhrat Mirza Ghulam Ahmad (as) who was Allah's appointed Mujaddid Alif-Aakhir, Imam of the Age of the 14th Century AH who stated that the verse from Surah Al-Hijr (Ch5 Verse 10) is a statement from Allah regarding the Provision of Divinely Appointed Khalifa-ala-Minhaj-e-Nubuwat (Khalifas on the Precepts of Prophethood) at the Head of Every Century in Islam till the Day of Judgement, we are currently in the tenure of the Imam of the 15th Century AH - Hadhrat Abdul Ghaffar Janbah (as) who is the Promised Zaki Ghulam Masih-uz-Zaman of the Promised Messiah (as) whom the Promised Messiah (as) entitled Musleh Maoud, and Mujaddid.

Hadhrat Mirza Ghulam Ahmad (as) stated in his treatise that Ayat-e-Istekhlaf (Sura Nur verse 56)

Allah has promised to those among you who believe and do good works that He will surely make them Successors in the earth, as He made Successors from among those who were before them; and that He will surely establish for them their religion which He has chosen for them; and that He will surely give them in exchange security and peace after their fear: They will worship Me, and they will not

associate anything with Me. Then whoso is ungrateful after that, they will be the rebellious.

The Promised Messiah and The Zaki Ghulam are the two Promised (Maoud) Mujaddids that the Holy Prophet (saw) spoke of as Imam Mahdi and Isa Ibn Maryam (as) respectively. Both these personalities are a fulfilment of Allah's Divine Grace upon the World and both are Prophets of Allah. The Promised Messiah (as) stated that Mujaddids & Zaki Ghulam are Prophets of Allah. These Prophets are Buruzi Nabi that do not bring a new law therefore are shadow prophets of the Holy Prophet Muhammad (saw) the Khataman Nabiyeen.

Thauban (ra) reported : **The Messenger of Allah (saw) said, “The Hour will not be established until tribes from my nation join the idolators and they worship idols, Verily, there will be 30 liars among my nation, all of them claiming to be a Prophet, But I am the Seal of the Prophets. There is no Prophet after me.** (Abu Daud Kitab-ul-Fitn Was Malahim).

The Great Saints of Islam Hadhrat Ibn Arabi (rh) and Hadhrat Imam Abd-ul Wahhab (rh) believed in the death of Jesus Christ but the return of Isa ibne Maryam (as) as a different person, as well as the end of Law Bearing Prophets. Therefore a prophet can come who doesn't abrogate the Law of the Holy Prophet (saw). Also in Sahih Muslim in Kitabul Fitn in the chapter about Dajjal, the hadith clearly states that Isa ibne Maryam of the latter days will be Prophet of Allah and his companions entitled Sahaba.

Allah states in the Holy Qur'an in Sura Al-Haqqa (ch 53 verse 45-49) :

And if he had forged and attributed any sayings to Us, We would surely have seized him by the right hand,

**And then surely We would have severed his life-artery,
And not one of you could have held Us off from him.
And verily it is a reminder for the righteous.**

This is an exact rendering of the warning in Deuteronomy 18:20

**But any Prophet who speaks in the name of other gods, or
who presumes to speak in my name a word that I have not
commanded the prophet to speak - that prophet shall die.**

It is stated In Shara ul-Aqaid of Allama Sa'd-ud-Din Taftazani that -

**The reason renders it impossible that these things should
be in any other than a Prophet, in a person about whom
Allah the Exalted knows that he is fabricating a lie upon
God and yet grant him respite for 23 years.**

The 23 year condition is based on the Prophethood of the Holy Prophet Muhammad (saw), who was the Rehmatul-il-Alameen. Al-Hakim, in Al-Mustadrak and al-Baihaqi in Dala'il al-Nubuwwa from the narration of Umar ibn-al-Khattab (may Allah be pleased with him) who said - The Prophet (saw) said,

**When Adam sinned he said,
O Allah! I ask for your forgiveness for the Sake of
Muhammad (saw)**

**Allah asked him, How do you know Muhammad , when I
have not yet created him?**

**He (Adam) said, “O Allah! After you created me and
breathed into me of your soul, I raised my head and saw
“There is no god but Allah and Muhammad is His
Messenger written on the Throne.”**

**I then came to know that you would not put anyones name
next to yours except the one who is dearest to you from
among creation.”**

**Allah said, O Adam, You have spoken the truth,
Indeed he, Muhammad is the dearest to me from among all
of creation. Supplicate to me through his sake for indeed i
have forgiven you. If it were not for Muhammad I would not
have created you.”**

(Al-Hakim declared it authentic and Al-Taqi as-Subki declared it fair in Shifa ‘as Siqam).

The Western nations have developed over the centuries as Colonial superpowers, Forced Conversion of native populations to Christendom, the spread of Christianity to the then known world. During the rise of Islam as a Powerhouse in the world, Christianity viewed this as a direct threat to their way of life and subsequently mustered an army of “crusaders” with the blessing of Pope Urban II at the Council of Clermont, Latin Empire between 1096 and 1271 to attempt to remove the Islamic rule from the Holy Land.

Now here we have a religion, that has created Trinity as a central belief in God the Father, Jesus Christ as the Son of God and the Holy Spirit. It was originally a sect of Judaism as Jesus did not come to bring a new religion, rather himself stated that he has not come but for the lost tribes of the House of Israel that Nebuchadnezzar had evicted after sacking Jerusalem. And secondly he has come to give the Glad Tidings of the Comforter. Who was recognised in the Songs of Solomon as Muhammadim, an unlettered Prophet who will be from the Valley of Bekka.

as stated in Deuteronomy 18:18 - **I will raise for them a Prophet like you from among their own people, I shall put my words in the mouth of the Prophet who shall speak to them everything that I command. Anyone who does not heed the words that the Prophet Shall speak in my name, I myself will hold accountable.**

It is this Prophet, that Jesus Christ was sent to give the glad tidings of and called the Paraclete or Comforter. The New Testament is called Injeel - Glad Tidings. This Prophet was the World Prophet and Jesus Christ prepared the way for him. He wandered the wilderness after the Crucifixion event, searching for the Lost Sheep of Israel and eventually died at the age of 120 in Kashmir, India.

The West has disregarded religion to justify their permissive society leading to an increase in atheism. This has created a void in the lives of mankind, leading to mental health disorders and emptiness in their existence, albeit capitalism has given the west an improvement in quality of life it has done so at the expense of spirituality. Material possession may temporary fill the void of worldly people with joy, but the emptiness resurfaces in time.

I wish to illustrate other trends in the world that the atheist nations bereft of guidance are presenting as New Age religions. The study of Esoterica, Mysticism and Theosophy is a can of worms a Pandora's Box of New Age Philosophy which runs parallel to Religion. For example :

The Theosophical Society created in 1875 by Helena Blavatsky was self described as an “unsectarian body of seekers after Truth” who endeavour to promote Brotherhood and strive to serve humanity. Helena Blavatsky was no ordinary spiritualist, her society’s original objective was the study and elucidation of occultism, mysticism and the Kabbalah.

Another interesting individual to consider was the Swedish scientist, philosopher, Christian mystic and Theologian by the name of Emanuel Swedenborg (1688-1772) who had a prolific career as an inventor and scientist likened in ability to Leonardo Da Vinci. And was one of many Hermetic Prophets who

claimed to have developed a technique which allowed him to converse with angels whenever he wished.

According to Swedenborg, after a theophanous vision, he was allowed to enter freely into Heaven and Hell, and communicate with angels, demons, or any other spirits he should happen across. That Swedenborg was experiencing something profound during these journeys, there can be no doubt. He became so famous for his ability that the Queen of Sweden asked him to find out why her deceased brother had neglected to respond to a letter she had sent him before his death. Swedenborg promised to consult the deceased and the next day returned with a message which the queen confessed contained information only she and her dead brother knew. The German Philosopher Immanuel Kant wrote an entire book on Swedenborg entitled ***Dreams of a Spirit-Seer***.

During a Theophanus state there is a massive release from the Nucleus accumbens of the neurotransmitter dopamine which rewards the individual with relaxing pleasure. This is the same neurotransmitter that is connected with gambling, music, delicious food, pornography and taking drugs.

But the most amazing thing about Swedenborg's account of the afterlife realm is how closely they mirror the descriptions offered by modern Near Death Experiencers. Swedenborg speaks of passing through a dark tunnel, being met by welcoming spirits, landscapes more beautiful than any on earth and one where time and space no longer exist, a dazzling light and being enveloped by an all-encompassing peace and serenity. He also says that he was allowed to observe first hand the arrival of the newly deceased in heaven, and watch as they were subjected to the life review, a process he called "the opening of the Book of Lives." He acknowledged that during the process a person witnessed "everything they had ever been or done." But stated that the information that arose during the opening of the Book of

Lives was recorded in the nervous system of the person's spiritual body.

He also states that each of us is a heaven in miniature, and every person, is a microcosm of the great divine reality. Despite the ghostlike and ephemeral qualities, heaven is actually a more fundamental level of reality than our own physical world.

Swedenborg is not the only individual in History who possessed the ability to make out-of-body journeys to the subtler levels of reality. The 12th Century Persian Sufis also employed deep trance like meditation to visit the "Land where spirits dwell." They claimed that in the other realm one possesses a "Subtle Body" and relies on senses that are not always associated with "specific organs" in the body. They asserted that it is a dimension populated by many spiritual teachers, or imams, and sometimes called it "the country of hidden imams."

They held that it is a world created solely out of subtle matter of ***alam almithal*** or thought. Even space itself, including nearness, distances, and far off places, was created by thought. But this did not mean that the country of the hidden imam was unreal, a world created out of sheer nothingness. Nor was it a landscape created by only one mind. Rather it was a plane of existence created by the imagination of many people, and yet one that still had its own corporeality and dimension, its own forests, mountains, and even cities. The Sufis devoted a good deal of their writings to the clarification of this point.

Henry Corbin a professor of Islamic Religion at the Sorbonne in Paris, coined the term Imaginal to describe it, meaning a world that is created by imagination but is ontologically no less real than physical reality. Because of the imaginal nature of the afterlife realm, the sufis concluded that imagination itself is a faculty of perception, an idea that offers new light on why Dr Joel Whitton, Professor of Psychiatry at the University of

Toronto, materialised a hand only after he started thinking and why visualising images has such a potent effect on the health and physical structure of the body. It also contributed to the Sufis belief that one could use Visualisation a process called “Creative Prayer” to alter and reshape the very fabric of one’s identity.

I wish to move onto the German Prophet Zahid Khan who claims to be from Lahore, Pakistan but moved to Germany, now this is an interesting subject as Zahid Khan came to Germany on political asylum after threats to his life. He claims to be from a family that practiced Sufism but at the age of 12 he started to have communion with God whom he called Haqt’allah. We know that the personal name of the One True God is Allah, as stated in the Torah and the Holy Quran.

Zahid Khan calls himself a Prophet of Haqt’allah and claims to be a recipient of Haqt’allah’s revelation. He states that He has met Allah face to face and went to the subtle dimensions and has had communion with Haqt’allah, Demons, Lucifer, Angels and the Prophets of the monotheistic religions. The Holy Quran states in Sura Al-Araf (Ch7 verse 144).

And when Moses came at Our appointed time and his Lord spoke to him, he said, ‘My Lord, show Thyself to me that I may look at Thee.’ He replied, ‘Thou shalt not see Me, but look at the mountain; if it remains in its place, then shalt thou see Me.’ And when his Lord manifested Himself on the mountain, He broke it into pieces and Moses fell down unconscious. And when he recovered, he said, ‘Holy art Thou, I turn towards Thee, and I am the first to believe.’

Zahid Khan has stated that all religions and Prophets have failed in their mission and God was upset and sad at the failure of his mission towards mankind. But has chosen Zahid Khan as the world Prophet for the One God Family, and entitled Him The

heart of God. The greatest flaw in his philosophy is the father, son concept he has reintroduced into religion, these are man made concepts that Christendom held as beliefs. Did Allah not say in the Holy Qur'an : (Sura Al-Maidah ch5 p117).

And when Allah will say, “O Jesus, Son of Mary, didst thou say to men, ‘Take me and my mother for two gods beside Allah?’”, he will answer, “Holy art Thou. I could never say that to which I had no right. If I had said it, Thou wouldst have surely known it. Thou knowest what is in my mind, and I know not what is in Thy mind. It is only Thou Who art the Knower of hidden things.

Just to side track I wish to illustrate a few modern concepts that have been used by Seers and Shamans alike to this day to induce altered states of consciousness that may be mistaken as Prophecy -

The psychoactive vine leaves Ayahuasca of the plant Psychotria viridis has been used to make a sacred beverage to initiate spiritual and religious experiences by religious communities in Brazil and North America. Psychotria viridis contains the active ingredient Dimethyltryptamine (DMT) which is powerful hallucinogen that has a low bioavailability therefore the hallucinogenic effect is short lived. Ayahuasca can cause visual hallucinations and lead to altered levels of consciousness. It is available on the internet at Ayahuasca retreats.

Also astral travel during sleep has been used by many to transcend time and space, leave their physical bodies and go wherever they wished. Shamans who astral travelled to find glimpses of the past or future to answer questions had a vested interest in keeping their techniques a secret as their power over communities would vanish if everyone was able to astral travel. Modern New Age and self help literature has published a

plethora of literature to aid individuals interested in these subjects.

Even some frequencies can instil a lucid state, Binaural beats are created when you hear two tones one in each ear, that are slightly different frequency the brain processes a beat at the difference of the frequency. Binaural beats have been used for meditation, stress, rest, good health and some may help release endorphins or hormones. They have been likened to digital drugs that can instil a hypnotic or lucid state or increase spiritual awareness.

Going back to the corpus of my speech,

The German Pastor Adam Weishaupt who lived during the Enlightenment era, stated “The Human Race will then become one family, and the world will be the dwelling of Rational Men.”

“O Mortal Man, is there anything you cannot be made to believe.”

“I am proud to be known to the world as the founder of the Illuminati.”

Adam Weishaupt under the name Brother Spartacus used freemasonry, to recruit for his own Quasi-Masonic society, with the goal of “Perfecting human nature” through re-education to achieve a communal state with nature, freed of government and organised religion.

Both Swedenborg and Enlightenment in the Weishaupt Order of Illuminati were illustrated by Emmanuel Kant’s Principle of Enlightenment.

The Spiritual freedom illustrated by Zahid Khan seems to run parallel with Sufism, Swedenborg and Adam Weishaupt’s Enlightenment.

Zahid Khan speaks of Vertical Relationship with God - this concept is Christian , If you imagine a Cross , it has two pieces

of wood , one horizontal and one vertical. The Horizontal piece of wood represents family or earthly relationship and the vertical piece represents the relationship with God. The Cross is both vertical and Horizontal because we need both to live how God Intended.

Zahid Khan also speaks of Fallen Angels which are a Biblical concept such as the watchers from the Old Testament. Angels (Malaika) were created by Allah from light with the purpose of following the orders of Allah There are 4 main angels mentioned in Islamic literature Jibril (Gabriel), Mikail (Michael), Israfil (Raphael) and Azra'il (Azrael) they do not have free will and serve Allah perfectly.

He, Zahid Khan speaks of Lucifer as a fallen angel which is synonymous with Satan, but is spoken of in Isaiah (14:12) as the morning star or shining one or illuminated one. Fallen from heaven to the earth or underworld. Again this is a Biblical concept.

Zahid Khan is a prominent speaker in Pegida - Patriotic Europeans against the Islamisation of the Occident. A political movement that cynically sought to exploit the Charlie Hebdo attacks to further stoke anti-immigration fervour.

He also was a prominent speaker at a Pegida and EDL (English Defence League) rally in Whitehall in London, UK. These Rallies gather racist and Neo-Nazi fanatics against minorities in European countries and further their political agendas by attacking the Immigration Laws in Western countries, Laws that were unanimously agreed during the Geneva Convention, a series of International diplomatic meetings that created global agreements in Humanitarian Law of Armed Conflict, International Laws for the Humane treatment of wounded or captured military personnel, medical personnel and non-military civilians during war or armed conflict.

The Geneva Convention of 1951 also covered the status of Refugees and their rights, these are humane laws created by a civilised world. So Zahid Khan who professes to be a Prophet of Allah and humanitarian should know very well that all of Mankind is chosen by Allah and refugees have as much rights as the next person to live a life of freedom of fear and persecution. Particularly as he himself fled from Lahore, Pakistan out of fear of political persecution.

The greatest irony in all of this is that the immigrants that are fleeing their countries are from Libya, Syria, Iraq, Pakistan and Afghanistan. Countries that have been decimated by US Foreign Policy and Nato during the War on Terror and Proxy wars against Russia. Ironically the same countries that do not have a Rothschild Central Bank are called the Axis of Evil.

This ideology of Nationalism or Patriotism that Zahid Khan and Pegida are promoting and awakening in the German psyche is the same one that gathered fervour and momentum as hatred and subsequent persecution of a successful Jewish Minority living in Germany in the 1940s leading to the Holocaust during World War II.

Europeans swore that this would never be allowed to happen again, yet here we are, only this time the imaginary enemy are Muslims. 99.99% of muslims are just average law abiding citizens, who just want to earn a living and provide for their families like everyone else. Zahid Khan talks about muslims fighting amongst themselves over sectarian differences, yet that doesn't make them viable cannon fodder for another religion crusade.

I have seen the same level of hatred in Tommy Robinson's diatribe against the Prophet Muhammad (saw) and Muslims, yet

the majority of level headed people in Europe and Britain recognise these wolves in sheeps clothing.

Another Claimant of a Non-lawbearing World Prophet was Assad Shah of Glasgow at the Age of 40 he moved from Rabwah to Scotland under political asylum and was a shopkeeper in Shawlands Glasgow, very popular amongst the locals as a polite, kind hearted person. He made a claim to Prophethood on 17th August 1999, He claimed that Mirza Tahir and Mirza Masroor were leaders of his Jamaat, yet he was a new Prophet which was at complete loggerheads with his claim. He was boycotted and removed from the Ahmadiyya Jamaat. And continued his claim online, he was murdered on 24th March 2016 by Tanvir Ahmad of Bradford Dawat-I-Islam for Insolence towards the Holy Prophet Muhammad (saw).

Albeit Assad Shah was considered Apostate by the Ahmadiyya Jamaat, they used his murder as propaganda to forward their political agenda against the Blasphemy Laws in Pakistan and to illustrate that the Jamaat is persecuted wherever they go in the world. Rather than seeking protection from Allah, they seek the protection of Christian Governments yet state that they are here to break the cross and kill the swine.

When Tahir Ahmad Naseem was lured from his home in Illinois to Pakistan in 2018, he was entrapped under Pakistan's Blasphemy Laws and held in detention until a courtroom appearance. He was murdered in a courtroom in Peshawar on 29th July 2020 and his killer Faisal Khan, a 15 year old was heralded a hero of Islam.

Tahir Ahmad Naseem was an unfortunate case, He declared he had a brain injury and Claimed to be a Prophet and Masih-uz-Zaman. He was generally ignored by the Pakistani clerics because of his brain injury until he moved to the US and restarted his claim to Prophethood on Social Media. He was a

member of the Ahmadiyya Community according to the Rabwah Times, Pakistan. In the US, the Jamaat used His death for political purposes to forward their agenda to campaign against Ahmadiyya persecution in Pakistan. The Jamaat then recanted their claim, stating he was boycotted and removed from the Jamaat, albeit Tahir Ahmad Naseem always professed to be an Ahmadi up until his death, and made his claim of Prophet under the Ahmadiyya belief that Prophethood will remain till the Day of Judgement.

Another claimant to Prophethood from India is Mohammad Mowdood Aihmad Khan he claims to be Jesus Christ Mahdi, and has stated he is a reincarnation of Jesus Christ, He claims his whole family is a reincarnation of Jesus Christ's family including Mary Magdalene. He claims to have lived for 120 years and was buried in Khanyar Street in Kashmir. He claims that Mirza Ghulam Ahmad (as) and his 5 Khilafa are the six incarnations of Masih Dajjal in History. He claims that the Dabatul Arzh is revealed as Angel Jibril in the form of a peacock. His Youtube videos are made with sunglasses and a hat as a filter so cannot be taken seriously. His teachings are a mixture of Christian, Muslim, Hindu mythological ideologies. There is no proof of his claims albeit he states there are 1400 proofs of his truthfulness.

His claim is based on Islamic eschatology, yet speaks of Kalki Avatar and has called Allah by the name of Yahweh. He appears to have taken the teachings of the Promised Messiah (as) and then used them against the Promised Messiah (as) to forward his claim as the reincarnation of Jesus Christ Mahdi.

These are the exact reason why a true Mamur Minallah is required in this era. Whenever the world goes through a spiritual decay, the religion of Islam, that Allah bestowed on Mankind would be refreshed with a Mujaddid (Reformer) whose

role is to remove innovations and additions to the Pristine purity of Islamic teachings that Allah perfected that Day at Arafat.

The Whole world is in turmoil yet awaiting the Second Advent of Isa Ibn Maryam (as). The fitnah that has been created in the end of days by the Khilafati Nizaam of Mirza Bashiruddin Mahmud Ahmad has completely discredited the Teachings of Hadhrat Mirza Ghulam Ahmad (as) and the Holy prophet Muhammad (saw). Leading to the current state of affairs, but this was already known to Allah, thats why he revealed to the Promised Messiah about the Bala-e-Qadian, the birth of the Yehudi Siffat in Qadian that he entitled Bala-e-Damishk.

The Promised Messiah (as) called his Jamaat Bani Israel of the latter days, how true is this that Bani Israel Sani is held in bondage by a coercive Pharaoh they call Khalifa, a living statue that is more dangerous than an idol as he speaks, talks and walks.

These subjects have been covered multitude of times by Hadhrat Abdul Ghaffar Janbah (as) in his lectures and Friday Sermons on alghulam.com. Hadhrat Abdul Ghaffar Janbah (as) is the chosen Mamur of Allah, revealed to the Muhammadi Maryam, Hadhrat Mirza Ghulam Ahmad (as) during his 40 days of Prayer in Hoshiarpur as the Nishane Rehmat -Sign of Mercy. During which Allah revealed to the recipient that he would bestow upon him (as) a Zaki Ghulam - the term Zaki Ghulam in the Holy Quran has always been a Prophet of Allah. Also in the Sign of Mercy he was entitled Emmanuel which in Hebrew means "God is with us" and an old Testament name for the Messiah. The Only person worthy of being entitled Prophet of Allah in this day and age is the Masih-uz-Zaman, Mujaddid of the 15th Century AH - Hadhrat Abdul Ghaffar Janbah (as). The time has come to accept the Messiah Isa Ibne Maryam so I implore all our Muslim Brethren to set aside your differences

accept the Will of Allah, have Taqwa (Fear of Allah) and win the favours of Allah by accepting his chosen Mamur.

After all Allah will hold you to account (Sura Al-Imran Ch3 verse 82)

And remember the time when Allah took a covenant from the people through the Prophets, saying: ‘Whatever I give you of the Book and Wisdom and then there comes to you a Messenger, fulfilling that which is with you, you shall believe in him and help him.’ And He said: ‘Do you agree, and do you accept the responsibility which I lay upon you in this matter?’ They said, ‘We agree;’ He said, ‘Then bear witness, and I am with you among the witnesses.’
